NOTICE

We hope that everyone has enjoyed what they have seen so far. This book is dedicated to the Class of 1987 and we hope that everything up until now has paid tribute to them. At the end of the book you will find a list of all seniors, their hometowns and their degrees. We would have liked to picture all Seniors but since that was not possible we do provide the class roll as a remembrance.

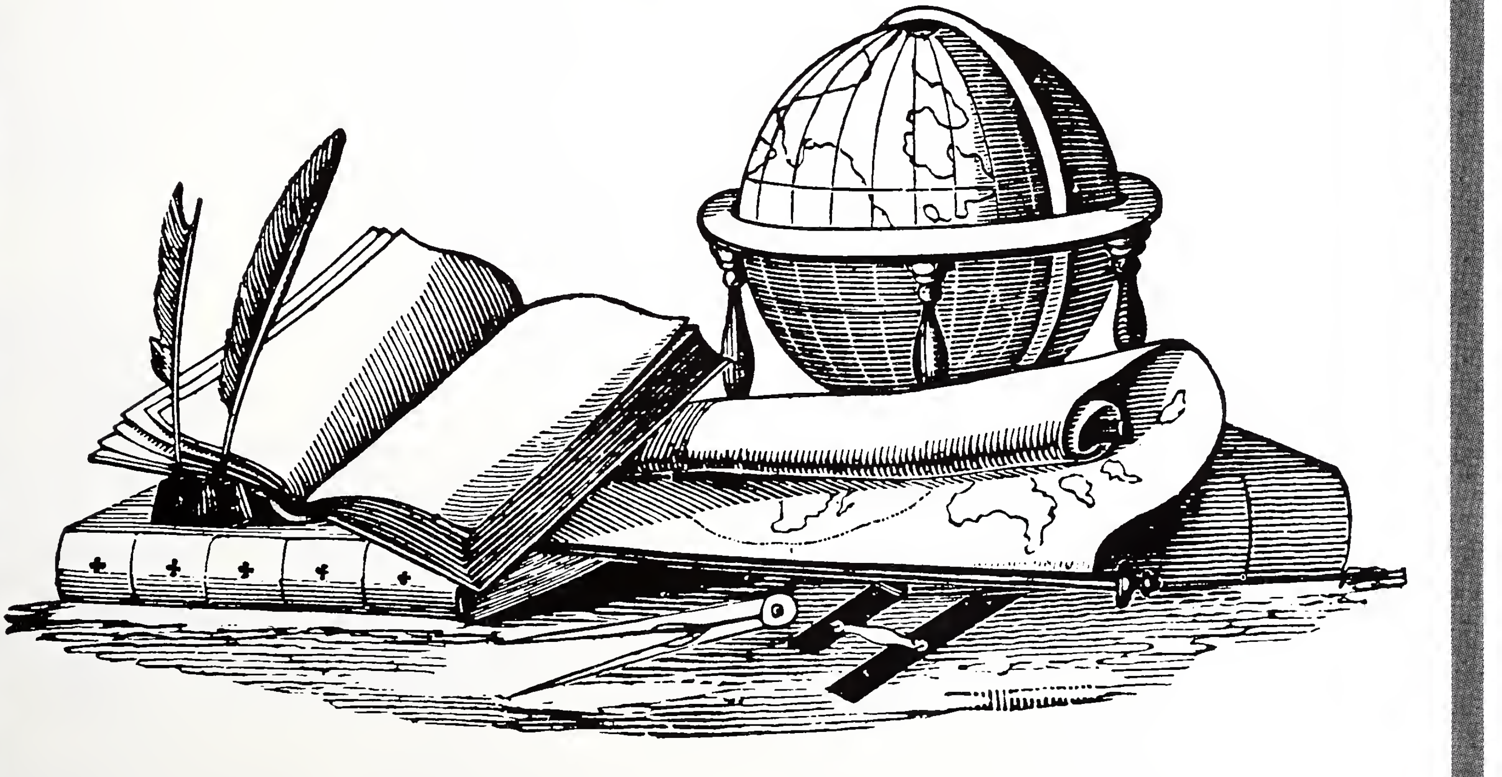
SCULPTORS OF OUR FUTURE



ADMINISTRATION AND FACULTY

Dr. J. Roger Miller
President

A Note From The President

Dear Students,

The 1986-87 academic year was a significant period in the history of Millikin University. This edition of the *Millidek* records many of the highlights of the year: The creative and entertaining performances you provided in musc and drama, the success of your athletic teams, the changes brought about by closing center Liberal Arts Hall for renovation, the excitement of homecoming, and many other activities. Memories of some of these specific events may slowly fade away with passing time, and you'll find your *Millidek* increasingly valuable. You will not, however, forget this year at Millikin.

For most of you, there will be similar memories formed in future experiences at Millikin. For the seniors, however, this year has been a milestone. They leave campus indelibly stamped with the mark of their Millikin experiences. The University also has been shaped by each of these seniors, as an image of Millikin is created by the successes and achievements of its students and its alumni.

The record will indicate that Millikin University was a stronger institution at the end of the academic year than it was at the beginning. Change is constant, and it is progress that characterizes our University. Thank you for your effective participation.

To the seniors I extend my personal congratulations and best wishes for continued success. I encourage you to maintain contact with Millikin and to visit campus as often as your new career will allow.

Sincerely,

J. Roger Miller

William L. Kittrell

Professor Kittrell, 55, assistant professor of finance, died March 29, 1987. He joined the Millikin faculty in 1985.

Previously he taught at Eastern Kentucky University, Illinois State University, the University of Georgia and South Georgia College. Before beginning his academic career, he was a senior account executive with Thomson & McKinnon Securities in New York City for six years and also was a production manager with Canada Dry Bottlers of Florida Inc.

He earned bachelor's and master's degrees from Florida State University and had completed course work for a doctorate at the University of Georgia.

The following resolution was presented at the April 6, 1987 faculty meeting by Dr. James Watson and was adopted by faculty members.

> *WHEREAS the death of William L. Kittrell on March 29, 1987 has deprived this University of a conscientious and caring faculty member whose research in financial markets was highly regarded by other finance professionals; and*
>
> *WHEREAS Professor Kittrell had the valued ability to make use of his combined academic training and professional experience as a senior account executive with Thomas & McKinnon Securities to, in the words of his students, "tell it like it is" in the finance industry; and*
>
> *WHEREAS Professor Kittrell had the kind of quiet courage that allowed him to face considerable adversity without ever decreasing his cheerful countenance or his friendly and considerate manner with students; and*
>
> *WHEREAS Professor Kittrell, in spite of his less than two year presence at Millikin, attracted students who considered him a valued mentor and who will always remember the enthusiasm displayed in his loud booming classroom lectures and the friendliness characterized by his ever present greeting, "Hiiiii, How You Doin"; Therefore be it*
>
> *RESOLVED that the faculty of Millikin University assembled this sixth day of April, 1987 hereby express to the family their deep sympathy for the loss they have suffered, and direct that a copy of this Resolution under the seal of Millikin University be delivered to them so that they may know and take some measure of comfort in the appreciation for his work that students and colleagues feel.*

Soviet Union

Each year students have the chance to go abroad to study or have a very enriching cultural experience. Dr. Graham Provan served as the chaperone for the trip to the Soviet Union where everyone enjoyed the change of culture and learned a great deal. Matt Kaminski issued these photos from their trip. We hope you enjoy them.

HESSLER

The Hessler Hall Council is the governing board of many of Hessler Hall activities. The council is made up of Hessler Hall residents and is advised by the Hessler Hall Director Lori Kerans. Each floor of Hessler has a representative that comes to the meetings and then takes any important news back to the others on the floor. The council is an outreach of Residence Hall Association. One of the events the Hessler Hall sponsored for the year was the "Night With President Miller" where residents could speak with President Miller and ask any questions.

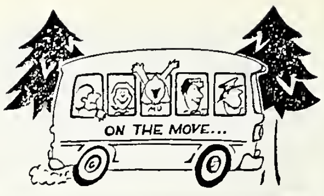
MILLS

The Mills Hall Council is composed of an executive board and one representative of each floor. The council sponsored activities for the residents of the hall that included Homecoming participation, and R.H.A. week activity, and a poker night. The council was set up to solve problems within the hall, and works to do so. Pictured: Jeff Cralley, Mike Messenger, V.P.; Gary Swick, Brian Hennessy, Sec.; George Krebs, Treas.; Jeff Palmer; and not pictured is Tom Mahoney, President.

B.W.A.

The B.W.A. Hall Council is composed of representatives from each of the floors in Blackburn, Walker, and Aston. They work hard to keep the 3 inter-connected residence units well informed of any important news and they provide activities for their residents. They are also in charge of putting out the "B.W.A. Bowell", the gossip of B.W.A. Anyone is welcome to participate in the council meetings which are held weekly and B.W.A. residents are encouraged to take part in the planning for the three inter-connected halls.

FRESHMAN CAMP



"On The Move" — that is certainly what everyone was. Freshman Camp is a Millikin tradition that is fresh and alive and full of spirit. It is a special orientation program available to all new students (not just freshmen), a time to ask all the questions you've wanted to ask about campus life. The main objectives of this camp is to build community and relationships. These relationships are with other new students, upperclass students, faculty and staff. This also helps in adjusting to college life. Freshman Camp is held at the Illinois 4-H Memorial Camp in Allerton Park near Monticello, approximately a half hour from the campus. The camp facilities include spacious grounds, a large dining hall, an outdoor pavilion and cabins for 12 where the students sleep. Among the events that occur at camp are icebreakers, discussions with faculty members, group competitions, tours of Allerton Park, special entertainment and a dance. "TAXI" provided entertainment for the dance this year which was followed by James Wand, a familiar hypnotist to students on university campuses everywhere.

"ALL ABOARD THE S.S. MILLIKIN"

Homecoming 1986 proved to be an event for everyone. The planning for the festivities began in February of 1986 and continued up to the week before the fun was scheduled to get underway. The committee, lead by co-chairpersons Scott Heidegger and Pam Kegresse, was made up of students representing independent life and greek life on the campus. The committee also included some faculty members and was advised by Mrs. Elizabeth Hill, Director of Richards Treat University Center.

The first big job that faced the committee was the decision on the general theme of Homecoming. "All Aboard The S.S. Millikin" was decided upon after some discussion about our choices. It proved to offer quite a variety of activities as well as some great themes for skit competition and house decs.

Homecoming Week began Sunday, Oct. 19, with student homecoming games competition at 1 p.m. and hit a peak Saturday, Oct. 25, with a football game and dance. Final events were on Sunday, Oct. 26. Special events for students were scheduled throughout the week, while alumni activities began Friday.

Right: Twelve Millikin University students were selected as finalists for Homecoming King and Queen. Winners were announced and crowned during the Homecoming concert Friday, Oct. 24, at 8 p.m. in Kirkland Fine Arts Center. The King and Queen were selected based on student voting, campus activities, academic achievements and interviews with a community judging panel. The 12 finalists in the Homecoming King and Queen competition were, from left to right, Row 1: Karin Hockhalter, from Frankfort; Cara Proud, from Hoffman Estates; Sharon Peart, from Mt. Vernon; Teresa Orchard, from Glendale, Mo.; Victoria Witthoeft, from Lake in the Hills; and Debbie L. Gregerson, from St. Louis. Row 2: Eric Waller, from Cerro Gordo; Thomas Velek, from Decatur; Jim Frank, from Berkeley; Jon Rebman, from Rushville; Kevin Hale, from Decatur; and Erin Shanahan, from Peoria.

The actual activities began on Sunday Oct. 19 with the games competition. Some of the highlights were the newly added triathlon, Skin the Snake plus the ever popular eating contest, pyramid building and tug-of-war to name a few. The games, with the exception of the triathlon took place on the front lawn of Liberal Arts Hall. Alpha Chi Omega and Mills received first place with B.W.A. and Kappa Sigma coming in second and Pi Beta Phi and Alpha Tau Omega finishing third. The day was nice and sunny and spirits were high for the week ahead. That evening the faculty were treated to a nice dinner at Lock, Stock, & Barrel hosted by the faculty chairpersons and the Homecoming Committee.

On Tuesday Oct. 21 voting began on the Luscious Legs, an ever so popular fun contest for any good looking legs out there. On Wednesday, competition opened on the shuffle board and the 'Captain's Table' was open to all university secretaries and staff in Richards Treat. That night, stars abounded the stage of Kirkland as Millikin's finest performed their Homecoming Skits for all to see. Pirates, Mr. Rogers, Ship wrecked crews and Cannibals graced the stage with Delta Delta Delta and Kappa Sigma sailing into first place. Alpha Chi Omega and Alpha Tau Omega captured the second place and Zeta Tau Alpha and Tau Kappa Epsilon landed into the third place.

Not an unusual scene at the game. Karen Jones, Jacki Siwek and Lisa Wojcik seem to be having a great time.

An annual treat for the fans at half time is a performance by the Alumni Marching Band Members with the Marching Big Blue.

Friday was quite a day! The rain dampened everything quite a bit. Most of the homecoming committee and several Alpha Phi Omega volunteers spent the day decorating the civic center for the dance on Saturday night. All participating House Dec competitors were putting the last touches on the decs that everyone worked so hard to produce only to have float away with the rain. Alpha Chi Omega and Alpha Tau Omega won first place with Delta Delta Delta and Kappa Sigma taking second place and Pi Beta Phi and Tau Kappa Epsilon winning third place.

That night everyone came in out of the rain to Kirkland for the concert and coronation of the King and Queen. Special attraction for the concert was comedian Tom Parks. Following Mr. Parks was a performance by the Millikin Jazz Lab Band and the Vocal Jazz Ensemble, both under the direction of Mr. Steve Widenhofer. The highlight of the evening was the crowning of Miss Teresa Orchard of Zeta Tau Alpha and Mr. Jon Rebman of Alpha Tau Omega as the 1986 Homecoming Queen and King.

The week basically ended on Saturday with our loss in the mud drenched football game against the Augustana Vikings. That night, however, we celebrated quite well at the Civic Center with a dance featuring Decatur Rhythm and Blues Revue. The overall winners of Homecoming were announced at the dance. Overall winners of homecoming competitions were Alpha Chi Omega sorority and Kappa Sigma fraternity. Winners were determined by the results of competition in house decorations, talent show and homecoming games. Second place winners were Delta Delta Delta sorority and Alpha Tau Omega fraternity. Tau Kappa Epsilon and Mills Hall tied for third place in the men's division and Pi Beta Phi sorority was third in women's competition. To cap off the weeks events, the Homecoming church service, featuring the Millikin University Choir under the direction of Mr. Richard Hoffland and assisted by Mrs. Kathryne Hoffland, was held at Westminster Church.

WHAT A CRUISE IT WAS!!!!!

For The Hall of It!

R.H.A. Week or "For The Hall of It!" was a pretty good success this year. R.H.A. Week is a time for residents in the residence halls to get involved in tournaments, games, show appreciation to the resident assistants, and even let loose at a dance. Some of the more memorable events in this years R.H.A. week were open house for faculty and administration (?), the Roommate Game sponsored by B.W.A. Hall council, the Trivial Pursuit tournament sponsored by Hessler Hall Council (Jeanine, Tasneem, Anna, and Mathew — champs!), and the dance served with mock cocktails and everything! This year special recognition was given all R.A.'s for their service by giving each of them a certificate and a flower.

"The Future is Greek"

Greek Week 1987

Greek Week was, once again, a success thanks to the hours of planning and dedication given by the Greek Week committee and the participation of all of the greeks on campus. The week, April 5 through April 11, was full of activities in which all houses competed to win overall honors. The overall winners were Alpha Chi Omega (for the fourth year in a row) and Alpha Tau Omega. Second place honors went to Delta Delta Delta and Tau Kappa Epsilon with third going to Zeta Tau Alpha and Kappa Sigma. The skit competition was on April 7 and as usual the skits brought much laughter. The placings for the competition were 1st: Delta Delta Delta and Alpha Tau Omega, 2nd: Alpha Chi Omega and Kappa Sigma and 3rd: Zeta Tau Alpha and Tau Kappa Epsilon. On April 10 the sign competition brought 1st to Alpha Chi Omega and Tau Kappa Epsilon, 2nd to Pi Beta Phi and Sigma Alpha Epsilon, and 3rd to Delta Delta Delta and Alpha Tau Omega. During the games competition (April 11) Delta Delta Delta and Kappa Sigma came out on top with Alpha Chi Omega and Alpha Tau Omega winning second place and Zeta Tau Alpha and Tau Kappa Sigma winning third. On April 9 the social service project took place in which about 400 students participated. The project was to clean up Decatur for the near West Side Restoration and Preservation Society. On April 11, the awards ceremony took place and several individual awards were given to those greeks who have shown outstanding involvement in campus activities and in greek leadership. Those honored were Teresa Orchard, Jim Wells, Jeanette Pope, Jim Frank, Michele Ianni, Ron Kurza, Kathleen Schnarr, and Brad Warren. Announcement was also made of Greek god and goddess and those honors went to Jeff Johnston of Alpha Tau Omega and Bobette Carley of Pi Beta Phi.

SPRINGFEST '87 — Go Bananas!

Each year Springfest tends to get better and better and this year of course was no exception! SPRINGFEST is a day of fun-filled activities from very early to very late that gives everyone the opportunity to let loose for the day, or, as we did this year — GO BANANAS!!!!, prior to getting underway with studying for finals. The days events included a tennis tournament, lunch on the patio with Simon Sezz (alias Kevin Hale), Bessy Bingo on the front lawn, games on the front lawn, the ever popular mud events (which became a favorite of a certain co-chair) and the dance featuring a live band. Springfest is co-sponsored by University Center Board and Residence Hall Association and Pam Kegresse served as the advisor of the event which takes weeks of preparation.

Two tennis tournament hopefuls (?) Karen Jones and Dr. Crisler play a few sets of tennis in the Tennis Tournament but to no avail — the team of Bierbaum-Parks came out on top. Isn't that your number 2 victory?

CONCERT BAND

The Millikin University Concert Band is made up of many muscians from many academic majors on campus. You need not be a music major to be a member. Membership is open to anyone and placement in the group is by audition. The group works hard to put on at least 2 concerts a semester. This year the group, who usually puts on joint concerts with the Wind Ensemble, put on a special concert at the end of the year. On Tuesday, May 5, 1987 over 1000 people moved into the seats of Kirkland Fine Arts Center for a good ol' fashion "Tribute To Sousa" concert. Stu Ellis from WSOY served as the narrator and Miss Deidra Ross, Cornet; Miss Diana Miles, Soprano; and Mr. John Huntoon, Trombone were the featured soloist for the evening. John Phillip Sousa would have been proud.

Once again membership is open to any university student upon audition. Auditions are held every year so someone who was a member of one group and what to try for another group they would receive the change.

MILLIKIN VESPERS

One of the popular events around the campus as well as in the community at Christmas time for Millikin students and residents of Decatur has been Vespers. Vespers have become a tradition here at Millikin and rightly so. With effective color works, staging and lighting, the 3 major concert singing groups combine to do a combination of hymns and Christmas songs which put even the scrooges into a Christmas mood. Vespers are really a wonderful experience for all to enjoy.

Members of University Choir, University Chorus, and Women's Choir combine for a number during the Vespers.

Singing Blue

Millikin University has a very powered and high keyed group of entertainers that really know how to put on a show. They are known as Singing Blue and are under the direction of Dwight Jordan, an alum of Millikin. Their show covers a wide range of music from gospel to pop rock and they go at all speeds from slow to fast. Some of the memorable songs from this year were "Rejoice", "Somewhere Over The Rainbow", "Footloose", and "Diamond Medley" just to name a few. Many of the performers in the Singing Blue perform in theme parks during the summer such as Six Flags in St. Louis, Great America, Opryland, and the S.S. Admiral to name a few. If you haven't seen this high powered group you have missed an experience.

The Millidek would like to apologize to two members of Singing Blue who were absent when the picture was taken. Another picture had been taken earlier in the year but do to a mix-up beyond our control, we had to take the picture over again. Gary Carlson and Valerie Brandt were absent due to their reporting for their summer work in Opryland and New York respectively. Sorry Guys!

Vocal Jazz Ensemble

The Vocal Jazz Ensemble is a relatively new group on the campus of Millikin University. The group is under the direction of Steve Widenhofer and is made up of 8 very talented vocal students from the school of music. Their sound is in the style of vocal groups such as Manhatten Transfer and their voices blend well to form a beautiful sound. The Vocal Jazz Ensemble performed for the Homecoming Concert for 1986 with the Jazz Lab Band, which is also under the direction of Mr. Steve Widenhofer.

JAZZ LAB BAND 1

Jazz Lab Band I is just the first of 3 Jazz Bands in our jazz department of Millikin School of Music. It is under the new direction of Steve Widenhofer and the band performs several concerts throughout the year with a tour scheduled during one of the breaks of the school year. The more famous performance times of the 1st Jazz Band are the Homecoming concert and the appearances on Saturdays at L.S.B.

Marching Big Blue Makes a

The Marching Big Blue was under new direction this year and added drum corps-style drill to its performances during half times for the home football games. "The free form of drum corps style of drill uses more of the field," said James Moyer. "The band used arcs and curves as well as straight lines in the formations. It added a great deal of difficulty to the performance, but our members come with good experience and we're ready for a change!" The programs included both arrangements and original compositions by Moyer. Nearly 100 members made up the marching blue, including flags and poms. Membership in the Marching Big Blue is open to all University students regardless of their academic major.

CAMELOT

Pageantry and sorcery came to the stage of Kirkland Fine Arts Center when the student production of "Camelot" played Oct. 3-5, 1986. "Camelot" deals with serious themes of honor and justice but treats them with humor and lightness," said Stephen Fiol, director of the production. "It's a romantic, musical tale that tells the story of King Arthur and Queen Guinevere," he added. "Audiences enjoyed the colorful costuming and sets, the familiar music and the large chorus productions." Familiar tunes included "If Ever I Would Leave You," "Camelot" and "I Wonder What the King Is Doing Tonight." Playing King Arthur was Eric Swearingen, sophomore. Karen Olson, sophomore, was Queen Guinevere. The romantic role of Sir Lancelot was played by Glen Washington, sophomore. Other leads were Scott Werntz, sophomore, as Mordred, Arthur's illegitimate son; Jay Elliott, freshman, as the magician Merlyn; Martin Hughes, sophomore, the comic Sir Pellinore; and Tammy Savaiano, freshman, Morgan Le Fey. Supporting cast members included Bill Bearder, sophomore; Dave Cannon, junior; Philip Fabry, freshman; Christina Halda, freshman; Kathleen Halm, freshman; John King, freshman; Michelle Lovette, freshman; Trudie Petersen, junior; and Brian Santos, senior. Lynne Snyder, assistant professor of dance, was choreographer for the show and Rosalyn Schenbeck, assistant professor of music, conducted the performance orchestra. Lani Apperson, senior, was in charge of set, lighting and costume design. Anna Arms, sophomore, was stage manager.

MURDER IN THE CATHEDRAL

"Murder in the Cathedral" was re-enacted in Westminster Presbyterian Church when Millikin University Theatre presented the T.S. Eliot classic on Nov. 19-23, 1986. "I hope this play wasn't too grim," said Director Ken Foster, managing director of Kirkland Fine Arts Center and adjunct assistant professor of theatre. "It was a dramatical, powerful and suspenseful. Audiences found it intriguing." The drama is a historically accurate portrayal of events in 1170 when Archbishop Thomas a Becket opposed King Henry II and was murdered by four of the king's knights in Canterbury Cathedral. "This play takes us beyond historical fact to a philosophical understanding of the meaning of martyrdom," Foster said. "The staging was stylized and unusual, adding to a medieval atmosphere." Following Becket's death and subsequent sainthood, Canterbury Cathedral became the focus for pilgrimages, including those immortalized by Chaucer in "Canterbury Tales." Visitors to the cathedral today can see Becket's tomb and the actual place where he was killed," the director added. Playing Becket was Scott Werntz, sophomore music theatre major. He has played supporting roles in four recent Millikin University Theatre productions, including Mordred in "Camelot" and Eugene in "Death of a Salesman." Members of the chorus were Ellyn Anderson, sophomore; Carrie Collins, freshman; Kathryn Dolan, freshman; Chrissy Eller, sophomore; Laura Galloway, freshman; Christi Geidner, freshman; Lisa Kosiara, senior; Dorlisa Martin, junior; Debbie Simmons, freshman; and Kim Stover, sophomore. The four knights were played by Eric Swearingen, sophomore; Glen Washington, sophomore; John King, freshman; and Steve Schiller, freshman. Other supporting actors were Keith Kincaid, junior; Bill Beader, sophomore; Jay Elliot, freshman; and Frank Scaccia, freshman. Kendra Smith, sophomore, was stage manager. In addition to the five Decatur performances, the troupe performed Nov. 14 at First Presbyterian Church in Hoopeston.

A CHORUS LINE

One! Singular Sensation! — and it sure was!! Millikin's finest dancers, singers, actors, actresses, and musicians pulled it off! 'A Chorus Line' graced the stage of Kirkland Fine Arts Center and what a fine production it was. We witnessed first hand what the auditions for a major touring show could be like. There were nightmare stories, laughter, crying, injuries, deep dark secrets shared and how can we forget the feelings of making it at last!!! Great Job Everyone!!!

Dracula

THRILLER!!! That is the word for it. Dracula visited Millikin in the Spring semester and with him he brought many surprises. First he set up in the scene shop and there were even special midnight showings. The cast did an excellent job and the scenery was really hot. Job well done guys and girls of the Theatre Department.

Construction

This year, as you all know, we began the construction project on L.A. This brought a lot of changes in office space and classroom meetings being held literally all of the campus. We think that the renovations will be enjoyed by all and we hope that the renovation of L.A. will be kept nice for years to come. Here are a few pictures of some of the construction going on. Among the renovations — a new student study lounge, an elevator in central L.A., a new stage and lighting and sound booth in Albert Taylor Theatre, air conditioning, and carpeting to name a few of the things that you can look forward to using beginning in August of 1987.

Big Blue Football

Despite the loss of 23 lettermen, including seven first or second team all-CCIW selections, three All-Americans, and a majority of the defense which ranked seventh in scoring defense, 13th in rushing defense, and 14th in total defense among NCAA Division III schools, our Big Blue had a fantastic season! We lost size but gained speed and some equally talented players to replace those we lost. We had a good blend of youth and experience at every position which helped our team considerably. The Big Blue squad featured 35 returning lettermen, including 12 returning starters, a handful of quality transfers and a talented freshmen class from among 92 squad members. This year's team featured an explosive offense and a tremendous swarming defense. It seemed that the games became haunted by rain and the football field was basically ruined by the end of the season. Well, the field is undergoing a face lift and will be ready for action for the 1987 season. It was a great season, let's go for the CCIW title next year!

Co-captains — John Cardamone & Marc Daniels.

Two Millikin University football players were named to the GTE District Five College Division All-American team, first step in the GTE Academic All-American selection process. Elected to the squad were senior free safety Marc Daniels of Jacksonville and junior defensive end Eric Dolen of Tremont. The District Five team was chosen by College Sports Information Directors of America members in Illinois, Indiana, Minnesota and Wisconsin. Players elected to the eight district teams will be on the national ballot for the GTE Academic All-American team. To be eligible for consideration, players must have at least a 3.2 cumulative grade point average on a 4.0 scale and have at least sophomore standing. Daniels, a four-year Big Blue starter and 1986 team captain, was named to the College Conference of Illinois and Wisconsin all-conference first team at defensive back this season after earning second team honors a year ago. He is Millikin's No. 5 tackler this season with 53 tackles, including 28 solo stops and one for a loss. Daniels' career stats featured 143 tackles and nine interceptions. Dolen, a two-time letter winner, became a starter this season and was Millikin's No. 3 tackler with 60 tackles, including 23 solo stops, four for losses and four sacks. Receiving honorable mention in district voting was senior quarterback John Cardamone of Broadview. Cardamone is a three-year letterman and was 1986 co-captain. He completed 73 of 144 passes for 1218 yards and 12 touchdowns this season.

Most people think team work keeps the Big Blue football quad a tightly knit group, and that's partly true. Actually much of the responsibilities goes to a group of students serving as trainers under the direction of Sam Trusner. The Student Trainers for the season were Row 1: freshman Jennifer Rheeling, a physical education major from Paxton; junior Bruce Lanum, a nursing major from Decatur; and junior Sue Palter, a two-time letter winner on the tennis team from Summit. Row 2: freshman Ronda Beaty, a physical therapy major from Petersburg; junior Amy Runkle, a physical education major from Rushville; freshman Ben Davis, a physical therapy major from Decatur; and sophomore Laura Edgar, a physical education major from Belleville.

Big Blue Volleyball

Youth and inexperience dominated the Big Blue roster, but there was quite a bit of talent among three returning starts and six newcomers. The Big Blue lost four key players, including three starters, from last year's NCAA Division III qualifier that was responsible for a school record victory total with a 31-12 mark. Returning Big Blue starters included co-captains Tami Harrison, a senior three-time letter winner, and Susan Alde, a junior who is the top returnee in hitting percentage. The other returning starter was sophomore Hallie Pierceall. The Big Blue schedule featured a full slate of CCIW matches, including a road match against defending NCAA Division III champion Elmhurst and participation in three challenging invitationals at Elmhurst, Illinois Benedictine, and Calvin (Mich.).

BIG BLUE SOCCER

The Big Blue Soccer team enjoyed its first intercollegiate varsity season in 1986, after being a club sport for three years. Seven returning starters and a promising group of newcomers combined to make their premier season a success. The team ended the season with a 6-8 record, with three of the losses being by only one goal. Highlights of the season included a 2-1 win over conference for Illinois Wesleyan, and a 1-0 victory over Rose-Hulman, a school who has a long tradition of soccer success. Co-captains for the team were Steve Capps a Junior midfielder from Chatham and Scott Peters a Junior midfielder from Decatur. They, along with Coach Bodamer and Assistant Coach Wessel, are looking forward to establishing such a tradition for this young Millikin sport.

Women's Cross Country

This year's women's cross country team held a lot of promise for a good season. Returning most valuable runner Karen DeWerff, a junior, paced a group of seven returning letter winners and a promising group of newcomers for the Big Blue. The key for this year's team was to keep everyone healthy and off the injured list. The 1985 season saw Tracy Ciota and Margaret Doak, both very promising individuals on the team, on the injury list with ankle problems. The team finished fourth in conference.

Men's Cross Country

Leading the way for the Big Blue, who finished seventh in the College Conference of Illinois and Wisconsin this year, were junior Mike O'Brien, No. 2 runner last season and 1984 most valuable runner, and freshman standout Bob Bergland. Several other runners were expected to show great talent this season and they were junior Frank Martin, sophomore Jerry Yockey, and Pat German, who placed 23rd in the IHSA Class A state cross country meet last season and finished fifth in the 900-meter run at the Class A state track meet. Others expected to be among the top seven runners for the season were Tim Stout, Mike Lents, Scott Woodruff and Norm Rokosz.

Women's Tennis

Top Returning Seniors Jennifer Fisher and Laura Hutchings

The 1986-87 tennis team was under a new coach this year. Mrs. Brannon, whose husband Mike coached the Big Blue men's team between 1975-80 and assisted at Millikin practices, welcomed the return of the entire starting line up from last year's team responsible for a school record victory total with an 8-1 mark. The Big Blue returned eight letter winners, including most valuable player Laura Hutchings, a senior who had a 13-4 No. 1 singles record and 7-3 No. 1 doubles mark, and two time letter winner Ann Clayton, a senior who was in Europe last year after compiling an 8-2 record at No. 6 singles in 1984. Other top players included Hutchings' No. 1 doubles partner Jennifer Fisher, a senior who compiled a 11-3 mark at No. 3 singles, and junior twins Sue and Jenny Parks, expected to fill the No. 2 and 4 singles spots respectively and combine at No. 2 doubles. Sue Parks had a 6-4 No. 2 singles record and Jenny was 11-4 at No. 4 and as a pair they tallied a 6-2 doubles mark. Battling for the final two singles sports and final doubles combination with Clayton were letter winners Aundrea Beschorner, a senior, and junior Sue Palter. Beschorner and Palter played at both No. 5 and 6 singles last year and combined for an 8-5 doubles mark.

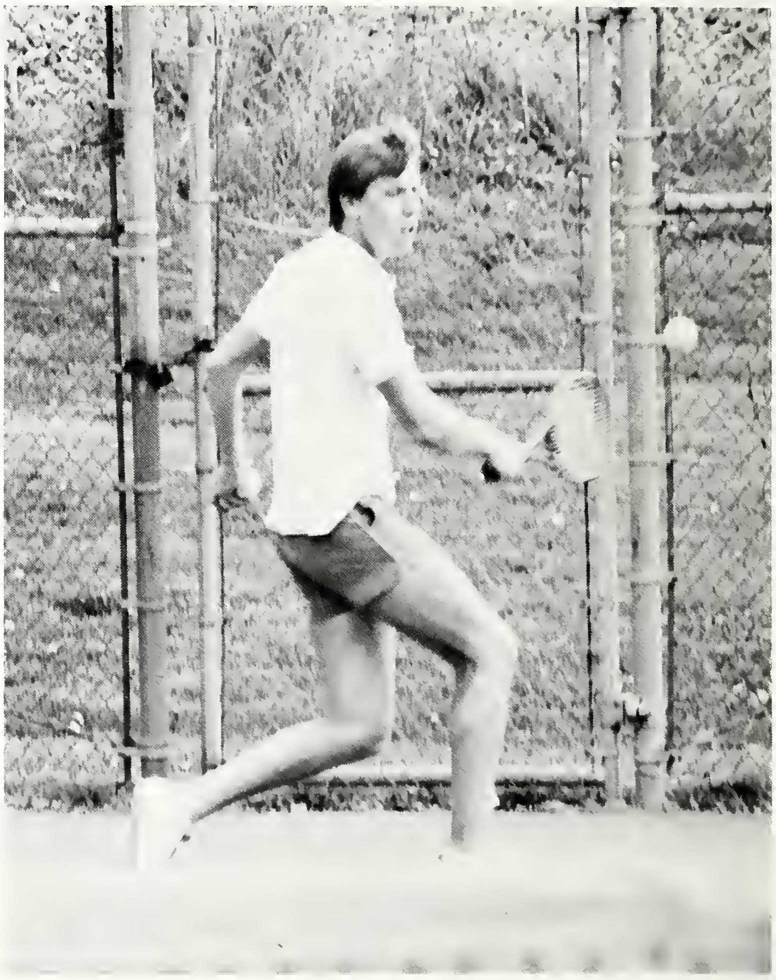
Men's Tennis



This was a tough year for the Big Blue Men's Tennis team. They only returned three lettermen and two of its top six players from a team that had a 7-6 dual meet record and finished fourth in the College Conference of Illinois and Wisconsin a year ago to finish with a 3-9 dual meet record and finish sixth in the conference. Two hopefuls that were expected to handle the top two singles spots and help Millikin obtain its performance of a year ago were Jeff Johnston and Brian Peoples. Johnston compiled a 6-9 overall No. 1 singles record and Brian Peoples compiled an overall 4-10 No. 2 singles. The two combined on No. 1 doubles to have a 9-8 record. Another returner, Kevin Wilson, ended the season with a 4-11 overall record on No. 3 singles and a 4-8 and 0-1 No. 2 doubles overall record. The rest of the team were newcomers that helped the team along the way to the sixth place finish in the conference.

Big Blue Wrestling

This was Coach Mike Poes' fourth year coaching the Big Blue Wrestling squad and he had his largest squad so far. The squad returned four CCIW place winners among eight lettermen, including two-time CCIW heavyweight champion Kip Crandall and 167-pound CCIW runner-up David Andriano. Going into the season Crandall had a two-year record of 45-7, but due to a strained back he was out for some of the season. Poe sees our Wrestling program at Millikin on the rise. Millikin's lineup received a boost at 118 pounds with the addition of aggressive freshman Tom Marino, who had a 24-2 high school record at 98 pounds last year and was a regional champion. Other stand outs for the season were Matt McDonnell and Steve Elledge who both finished 1st in CCIW and were NCAA Div. III National Qualifiers along with Kip Crandall.

Lori Kerans, a 1985 Millikin graduate, replaced Harriett Crannell, who retired from coaching after leading Millikin to a 16-year record of 180-102, 11 winning seasons and 10 post-season tournament appearances. Team leaders for this years' season were 5-foot-5 junior guard Paula Keller, a second team All-American last year who led the Big Blue in scoring and supplied a team leading 88 assists, and 5-8 senior forward Queen Dickerson who led NCAA Division III players in field goal percentage by making 62.4 percent of her attempts last year. Other returning letter winners from last year's 15-8 squad, which lost two key starters were sophomore point guard Erin Whitley, who averaged 4.3 points and 3.9 assists a game as a starter; junior forward Susan Alde, an all-CCIW hitter in volleyball, and Janet Collins, a reserve sophomore guard. This years' team had a very strong freshman class which contained forward Betty Ray, center Jennifer Rheeling, guard Stacey LaFeber, guard Terri Schrishuhn, guard Robin Harris, and forward Phyllis Sperry.

The Big Blue returned 13 lettermen, including two of last season's top four pitchers, six of the top eight hitters, and 75.0 percent of the run producers. Co-captain Marc Daniels was named the Big Blue's most valuable pitcher after compiling an 3-2 record with a 2.52 earned run average. He pitched 64 and a third innings and had 59 strikeouts. During his career he pitched 163 and a third innings and had 138 strikeouts. Brad Davis was expected to build on his strong finish in 1986 and become Millikin's No. 2 pitcher. Offensively, two-time Millikin most valuable player Don Stephens, a two-time all-CCIW selection and .332 career hitter, returned at shortstop. Other veterans included last year's "rookie of the year" Jack Klawitter and designated hitter Andy Hastings, who belted a team-leading four home runs and 27 RBIs.

Millikin Golfers

Row 1: Troy Vodacek, David Impastato, Ed Greubel, Grant Schmidt, Frank Bruno Row 2: John Janota, Paul Schade, Brad Weishaar, Mike Voeller, Mark Beck, Doug Neibuhr

Millikin University golf coach Doug Neibuhr had an uneasy feeling knowing newcomers had to contribute if the Big Blue was to win its fifth straight College Conference of Illinois and Wisconsin title and make its fourth straight NCAA Division III national tournament appearance.

However, an impressive freshman season from Paul Schade relieved Neibuhr of most of his uneasiness and the Big Blue is one of 21 teams invited to compete in the NCAA Division III Championships May 19-22 at Westbrook Country Club in Mansfield, Ohio.

The 72-hole affair begins at 7 a.m. each day. Defending champion California State-Stanislaus seeks its third straight title and 10th overall and could be challenged by California-San Diego, runner-up finisher the past two seasons. Millikin finished 10th last year, third in 1985 and 16th in 1984.

Schade has dazzled Neibuhr by recording the team's lowest stroke average (77.6) in the last five tournaments and finishing among the top 15 in four of the last five tournaments, including a fifth place finish among 128 golfers at the prestigious 26-team Drake Relays Festival.

He came back a week later and helped the Big Blue to the CCIW title with a third place finish.

"I'm extremely pleased with Paul's play," Neibuhr said. "I knew he was capable of having a successful freshman year and he did. His freshman season is one of the best in Millikin history. If there were an NCAA Division III freshman All-America team, Paul would be on it.

"He is a very confident and poised individual who enjoys golf. It will be interesting to see how he responds at the national meet."

A 6-foot-2, 230-pounder, Schade had considerable experience as an amateur golfer prior to attending Millikin, including appearances in the junior nationals and the Western Open. During his high school career he won medalist honors 22 times and finished 22nd at the 1986 Illinois High School Association Class AA state meet.

"Paul has as much experience as anyone," Neibuhr said. "He is an intelligent player who can block out distractions and concentrate on the course. Paul is our hottest golfer right now and should have a fine national meet.

"Any of our five players making the trip to the nationals is capable of placing among the top 18 and gaining All-America status."

Joining Schade at the national meet is fellow newcomer junior Brad Weishaar, who won CCIW medalist honors and was voted the Big Blue's most valuable player after transferring from Lincoln Trail Junior College.

Also on the tournament squad is sophomore Mark Beck, who was named the most improved golfer after leading the Big Blue with a 78.9 stroke average. He finished fourth at the CCIW meet.

Players with national tournament experience are juniors Frank Bruno, who is making his third trip, and Mike Voeller, who participated last year.

"We're approaching the national meet as a reward for a fine season," Neibuhr said.

Millikin faced its toughest schedule ever and has some impressive accomplishments, including a 36-1-2 record against NCAA Division III schools and strong showing against some of the Midwest's best NCAA Division I and II schools.

Despite the success, the Big Blue boasts a not so impressive 315.1 team stroke average, but Neibuhr attributes that to play on challenging golf courses.

"I believe a major factor in our success has been our schedule on tough courses," Neibuhr said. "You're always playing the course and not any one team or individual. The team believes that our schedule will make a difference at the national meet."

Voeller and Bruno have the No. 5 and No. 7 stroke averages on the team after erratic seasons, but the pair's national tournament experience could pay dividends.

"Mike and Frank have both played well lately, which is encouraging," said Neibuhr. "I'm expecting both to be stabilizing factors and play well in the national tournament. They have the psychological makeup to provide a fine showing when we need it the most.

"Our team goal is to play four solid rounds of 300 to 310 strokes," Neibuhr said. "We haven't been very consistent all year, but we're capable of consistency and being in the national title hunt. I feel really good about this team's intangible characteristics and its chances at the national meet."

Eighty-Fourth Annual Millikin University Commencement

This year's commencement was held on Sunday May 17 at 2:00 p.m. in Fairview Park. The weather was a little on the warm side if you could not get in under the pavillion where there would be an occasional breeze, but all in all it was a beautiful day and the Class of 1987 couldn't have had a better day to finish their career at Millikin. The Processional was played by Millikin University Brass Choir under the direction of Dr. Russell Tiede and the procession marched in to "Trumpet Voluntary" by Jeremiah Clark. Serving as marshals for the 1987 commencement were Dr. Guillory and Aldo Manicinelli from the faculty and James Frank and Judy Hand from the students. The Reverend Edward A. Yonan, Ph.D. gave the invocation. The Millikin University Choir, under the direction of Richard Hoffland, gave a fantastic performance of "Live a-Humble" arr. by Jester Harrison. The Commencement Address was given by Dr. John E. Horner, President of Hanover College in Hanover, Indiana and he entitled his Address as "The Cutting Edge of the Liberal Arts". An Honorary Degree, The Degree Doctor of Humanities was conferred upon John E. Horner and was presented by G. William Madden — Chairman, Board of Trustees for Millikin University. Recognition of Service Award went to C. Kent Richardson for outstanding service to the university as Director of University Services. Also recognized for their dedication and service to the University were Jack Allen and James Olson who were granted Emeritus status with the University. Following the Conferring of Degrees by Dr. J. Roger Miller — President, James Wells, Senior Class Chairman, lead the tassel ceremony. The "Alma Mater" was sung and Chaplain Yonan gave the Benediction. The Brass Choir performed Allegro from the "Water Music Suite" by Handel for the Recessional and the Class of 1987 became a part of the history that makes Millikin University strong!

THANK YOU!!

Well this is it everyone. We hope that everyone has enjoyed the 1987 MILLIDEK and we hope that it has been a "Fresh Start" of new things to come. We are excited about next years' book already in which we plan on making a few more alterations in the books appearance, plus possibly expanding our coverage to better cover everything. Putting together a yearbook takes many hours of planning and re-planning, designing and re-designing, griping and even more griping. We may not get everything perfect "to the t" but we give it the best try we can with the time and space we have to work with. We hope that we please everyone. Most of us on the MILLIDEK have lived on a motto that should really go for all and that is — "If you don't like something — change it." "Just don't set there — make the difference" We would like to invite any ideas; suggestions or if you are interested in helping the MILLIDEK to better their publication, please contact the Editor or Assistant Editor. Now, as the editor, I would like to take this time to personally thank all of the people who made much of this book possible!

"Most" of the MILLIDEK staff — You know who you are!

Karoline Marchese, Assistant Editor — For taking on the extra responsibilities that haunted us this year — if you know what I mean, and also thank you for helping when time got away.

Dean Joe Houston, advisor — Thanks for lending support, thanks for the trust, advice and the office with all of its wonderful materials.

Jodi Ernest, B.W.A. Hall Director — Thanks for letting us use Blackburn basement for portraits with Sudlows.

The WONDERFUL, SUPERB, BRILLIANT, and FANTASTIC Student Development Secretaries for putting up with the many requests, phone calls, announcements and even some headaches.

The Ladies of Corner House — for letting us turn your basement into an office.

The GREAT people in University Relations for whom we have obtained much of the information and many of the photos that are contained in this publication.

President Miller — for writing the letter

Physical Plant employees — for moving yearbooks all over campus when we needed them moved and also thank you very much for the very much needed bulletin boards and shelves installed in the office.

All of the "MOMS" in the business office who helped us out with our money!

Sudlows for taking our portraits again.

Bob Donnelly for "trusting in us" that we would keep our word and stick to our deadlines.

University Services — for all of those copies

Karen, Game Room Desk manager, — putting up with "copier please" — quite a few times during the day.

And anyone else who offered words of encouragement and trusting us to do our job on our own.

They are listed with their hometown and if they have their photo in the Senior section in the front of the book their name will appear with an * at the beginning of their name.
